FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

Feb. 13, 1965 Vol. 5-6

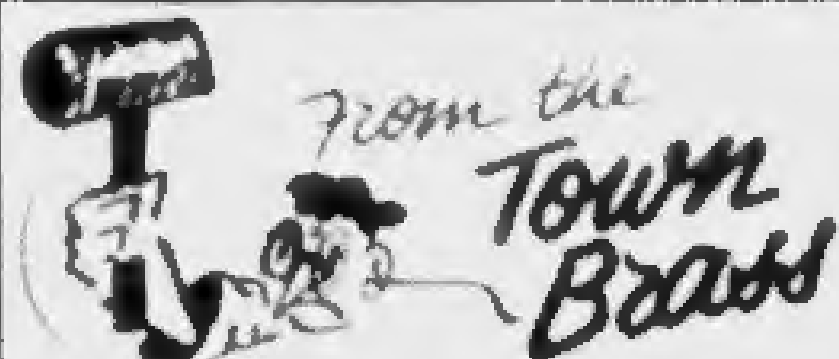

TOP STUDENTS

Lions Club Scholarship Awards to the top St. Albert students, took place on February 2 at the Club Mocombo.

Front row, left to right: Scholarship winners Gary Unterschultz, Stephen Williams, Karl Schneider, Lion President Bert Sarin, Carol Seruh, Josephine Wilton (Missing - Lila Peacock)

Back row, left to right: the proud parents, Mrs. Unterschultz, Mr. Unterschultz, Mr. Williams, Mrs. Schneider, Mr. Schneider, Mrs. Peacock, Mrs. Seruh, Mrs. Wilton, Mr. Wilton.

Council Meeting, Monday February 8, 1965
Budget Surplus Acting Secretary-Treasurer S.L. Billings reported to Council that the annual audit for the year 1964 has been completed. There is a budget surplus of \$40,435.91, not including a

water supply system deficit of \$11,768.95.

Finance Committee Report Chairman J. Aeburgh moved that an estimate capital budget requirement of \$691,000.00 be forwarded to Alberta Municipal Financing Corporation. This is in response to their request for the town's possible financial borrowing requirements for the year 1965. The figure quoted includes such items as covered rink fire
continued on page 2

DANCE**
Club Mocombo

For further information
see page 2

fighting equipment, reservoir, grader, garbage disposal truck, swimming pool, and purchase of the curling rink. The only item listed already approved by the ratepayers in by-law form is the fire fighting equipment. Councillor deBruijn stated that this is not a request for this amount of funds but that all these items have been included in this draft so that should Council wish to proceed with any one of these items, they can be included in the 1965 budget and presented in by-law form to the people. The motion was carried unanimously.

Car Allowances It was the recommendation of the Finance Committee that two requests for car allowances be refused. The requests came from Parks Superintendent, A. Gates, and Acting Superintendent of Public Works, DeChamplain. Council concurred and the requests were denied. A third request for car allowance was made by Recreation Director M. Gibb. As this is a new position, Councillor deBruijn made no recommendation. The matter was referred to the Staff for study and advice. A further recommendation from the Finance Chairman was that the town construct a water underground storage tank in the utility lot in Sturgeon Heights, stating that this is a recommendation made by the consulting engineers, Walker, Newby, in February 1964. The town's agreement with the City of Edmonton is that pumping will be done only in off hours or night time. Due to the present inadequacy of our storage system, pumping is now being done 24 hours a day. The City of Edmonton could at any time refuse continuous pumping. "If we have a dry summer, we could be faced with water rationing" stated Councillor deBruijn. He also noted that the ratepayers refused this item in the fall elections. After a general discussion and request for further information from the staff, the matter was tabled until the next meeting.

Secretary Treasurer Acting Secretary Treasurer reports that Mr. L. Wheatling will assume duties as Secretary Treasurer on March 1, 1965.

Expense Money A resolution requesting expense monies for councillors attending out of town meetings was discussed, following the town solicitors written opinion on the resolution. Some councillors weren't quite satisfied and the resolution will be forwarded to the Dept. of Municipal Affairs for their opinion.

Letters to the Editor Councillor Baker presented a statement regarding the recent letters to the editor in the Gazette. Copies were circulated among Council and the statement adopted unanimously.

"This Council deplores the recent unfair criticisms of appointed officials

Sponsored by the St. Albert Hercules Sports Association

as civic servants should not be placed in a position of having to reply directly to sweeping accusations and This Council expresses full confidence in the ability of Mr. Wheatling and Mr. Billings to carry out their jobs effectively."

Technical Advisory Committee Following a request of a church to erect a sign on the highway from Edmonton, Chairman Fowler moved that a policy be established that no signs be erected on the shoulder of the highway other than directional traffic signs and that existing signs be removed. It was noted that the town itself has a 'fluoridation' sign on the highway shoulder. It was suggested that this information could be added to a planned sign to be erected by the Chamber of Commerce.

Bedding Plant Stand Mr. Von Busse requested permission from Council to erect a bedding plant stand west of the BA Station on Ball Ave. Councillor Fowler moved permission be granted providing Mr. Von Busse erects only temporary facilities and the premises are kept neat and clean at all times. Mr. McGee pointed out that this might increase parking on Ball Ave. which is already a bottle

neck entrance. This motion was lost in a tie vote.

Executive Committee Report Mr. Roberts, Building Inspector, has agreed to accept the additional position of Licensing Inspector, with a salary increase bringing his total salary to \$520. per month. Anticipated revenue from the licensing bylaw is approximately \$2,000. annually. Fire Chief Tetarenko who since 1963 has also served in the capacity of Safety Superintendent, has received no remuneration to date. The Committee recommends that he be paid an honorarium of \$100. annually, payable quarterly, beginning January 1, 1965. Councillor Stewart pointed out that Mr. Tetarenko was given to understand there would be remuneration when he accepted this position. Councillor Stewart moved that Fire Chief Tetarenko be paid the honorarium of \$100. for 1964. Carried unanimously.

Recreation Board Report The Annual Report was received from the Recreation Board, but as the report erred on one point it was returned to the Board for correction. Following a recommendation from the Recreation Director, Mr. Grant McKeen was appointed to fill the vacancy

Apex Printing

Do you know

that St. Albert has one of Alberta's finest Printing Shops, located in THE APEX BUILDING, downtown St. Albert?

Skilled Craftsman operating modern equipment can look after all your printing needs, such as business cards, billing forms, invoices, brochures, wedding invitations, your own special greeting cards, posters, raffle tickets, etc.....

We extend an invitation to you to visit our modern premises, to browse around and see what we have to offer.

As our business increases, we intend to employ more local tradesmen, and to improve our facilities in order to compete with any printing plant in Alberta.

Employ local services to help make our town "the" Town of Alberta!

continued

on the Recreation Board. Mr. Chris Gates, past chairman, finished his term this year.

Centennial Report The report of the Centennial Committee was tabled until the first meeting in March.

Library Report Mr. Soprovich attended with the annual report of the Library Board, which was accepted. Mr. Soprovich remarked on the growing need of the library for more space and was granted joint use of an office on the ground floor of the town hall. He said that Council should give some consideration to larger quarters for the library. 25% of the town population are library borrowers. There has been no increase in library hours due to the fact that there

has been no request for any such increase. Dr. A. Mirlin was re-appointed to the Library Board. Council expressed their thanks to Mr. Soprovich and his Board for the fine job they do with our library.

McKenney Ave. Renamed Mayor Veness moved that McKenney Ave. be renamed in honor of the late Sir Winston Churchill. The motion carried unanimously. McKenney Ave. will now be known as Sir Winston Churchill Ave.

Mr. Roberts pointed out that due to St. Albert's forthcoming mail delivery, unnamed streets must be named. Highway #2 within the town limits will be St. Albert Road. The street in front of the grain elevators in Mission Park is unnamed. Councillor Stewart moved it be called McKenney as we already have the signs. The motion was defeated and the

naming of this street tabled until the next meeting.

Snow Removal There are 27 miles of sidewalk in St. Albert, a large part of which is snowbound. At a cost of \$1000. the Public Works Dept. will clear all sidewalks of snow. The possibility of making and enforcing a bylaw requiring homeowners to clear their sidewalks was referred to the Finance and Public Works Committee for study and recommendation. **Town Engineer** Council will interview the top candidate in the near future. **Finance Committee** Councillor deBruijn submitted his resignation as chairman of the Finance Committee. Following discussion he stated that he no longer wished to serve on the Executive Committee (consisting of the Mayor and Chairmen of the 2 standing committees - Technical Advisory and Finance) because he felt he held a continuously minority position but perhaps he was too much of a caverick. He also stated that he was at the present time a member of 3 committees of Council and found that it was far too heavy a load. Councillor Fowler remarked that this Committee could serve a useful purpose but that has been misused. Councillor DeBruijn agreed, resulting in Councillor Bakker's motion to disband the Executive Committee. Councillor DeBruijn's resignation was then not accepted.

Returning Officer Councillor Bakker proposed that in future the position of Returning Officer be advertised. He was informed that this has been town policy for some time. He further suggested that all town employees be ineligible for the position. Following advertisement in the Gazette and Edmonton Journal for last year's Returning Officer, the only applicant was a town employee. Councillor Fowler disagreed with this policy and no decision was made. **University** Councillor Bakker gave a progress report on the possibility of a University for St. Albert, stating that the Edmonton Planning Commission had a draft ready to be submitted. Council then adjourned.

"PUBLIC OPINION"

Citizens fulfilling public jobs can expect critical public opinion about their work, especially those who are more or less connected with town policy. Some times public opinion is encouraging, heartwarming, but sometimes it is quite harsh and disappointing for the ones involved. Every man or woman who decides to enter politics must know that such a job is continuously by sacrificing and that he will be watched by the taxpayers who expect him to do the job as he thinks best for the town. Taxpayers are the unofficial opposition, and in most cases, are more dangerous than the official opposition in any form of government. We realize that much criticism comes from people who are not really interested in town affairs, and this is painful and unjust in the eyes of the public servant thus accused.

But the citizens that we mean by 'public opinion' are the ones who serve year round to help their community. They also sacrifice their time and effort to get the community going. Such good citizens also have public opinion which should not be kept undercover. When these citizens criticize the people who are responsible for town affairs, they speak with authority, knowing their community as well as their own houses. We should be thankful that these citizens open their mouths in public whether they're right or wrong. At least they start the rest of the community thinking.

How far can one go in criticising people who are involved in public affairs? This is a very difficult question to answer. It is hard to say "up to here and no further". When can one say if criticism is decent and when is it disrespectful? The standard in this area is completely different for each individual.

We regret that so many citizens were upset by the letters to the editor which appeared in the last two issues of the Gazette. But on the other hand, many readers assured us that these letters should not be kept away from the public. Therefore, we would like to hear your "public opinion" regarding the publishing of these letters. Do you feel that we shouldn't have published these letters, or are you convinced that these "public opinions" cannot be refused by the publisher? Please let us know in a very brief letter, your opinion about this controversial matter. Write to the St. Albert Gazette, Box 569, St. Albert.

TRACK AND FIELD BULLETIN

In The Locker Room

There is much, much more to being a good athlete to getting the most out of participating in sports, than practicing

and playing on the field. The action of doing a sport comes last of all. It is the climax!

Too many boys and girls want to run and jump and throw without properly preparing themselves. The body, the mind, the goals (or dreams), the study of the fundamentals; all these must be given a great deal of attention. For this, you must have a large amount of will power.

All that we can do for you here is to point you in the right direction. We can only supply you with the know-how and the inspiration. It is up to you to take care of your mind and body. And it is up to you to supply the determination and perspiration.

Food and Diet

More likely than not, you eat too much! That is, if you are going to be a champion athlete, we do not mean that you should starve yourself, but that you should eat only the amount of food required by body to function efficiently. Overeating is harmful to you because your body is called upon to do so much extra work in digesting the food and eliminating the waste. It is ever so true, 'you are tomorrow what you eat today'!

Here are Some Do's and a Couple of Don'ts

1. Eat only at mealtime. If you must munch on something between meals or before hitting the sack, make fruits such as grapes, oranges, or apples.

Note You should not eat apples before working out, or before competition, because along with nervousness they can cause gas pains.

2. Drink a minimum of one quart of milk partially skimmed, each day.

3. If possible, eat honey, dates, grapes or raisins with every meal. It is highly important to have two or three oranges every day. The citric acid they contain helps prevent colds.

4. Eggs should be eaten only at breakfast, about three times a week. They can be boiled or poached. Eggs should not be eaten on a day of competition, because they are composed of a sulphur base that causes gas to form in nervous stomachs.

5. Eating meat once a day is often enough. Many athletes have discovered that the less meat they eat, the more stamina and endurance they have and the better they perform.

6. You can include cake and pie in your diet as long as you eat them only occasionally and no more than a small piece at any one time.

7. Candy (no peanuts in it, and no chocolate) may be eaten right after your evening meal. Hard, rock candy is very good.

8. You must have regular meal hours. There is general agreement in medical circles that a good breakfast is the most important meal of the day.

9. Get lots of iron from roast beef, liver, beef kidney, oysters, spinach, whole wheat bread, eggs, and fresh fruit. Lack of this element will cause you to have shortness of 'wind' and an excessive beating of your heart when you exercise.

10. Get lots of calcium from raisins, grapes, peas, eggs, rice and milk. This mineral is basic to your endurance.

11. Get lots of phosphorus from whole wheat bread, peas, oatmeal, lima beans and raisins, because it fights off fatigue and is important in the process of efficient muscle contraction.

12. For best results, you have to use "High Test Fuel" in your "Running Engine". Carbohydrates are rapidly absorbed and produce quick energy, which is what you want. You get them from fruits, vegetables, cereals, bread, jams, jellies and plain candies.

13. There is a high food value in fat, but it does not produce the quick energy you need for speed. You can include the following in your diet, but eat them in moderation: rich milk, cream, butter, ice cream, cheese, fat meat, gravy, bacon, egg yolk and olive and other vegetable oils. Avoid all of these on a day of competition.

SALE DAYS WED., THURS., FRI., SAT

Recreation continued from page 8

14. You will have better wind if you include lots of fruits and vegetables in your diet. These provide soda-like compounds which aid in eliminating the Toxic Carbonic Acid from the lungs.

15. Don't leave the meal table with a "stuffed" feeling.

16. Have regular daily bowel elimination. A good time to do this is every morning after breakfast.

SUNDAY PROGRAM *Edmonton Public Library*

Sunday Concert

On Sunday afternoon, February 14, from 2 to 3 p.m., the Public Library presents

another program of stereo music from its record collection. This week Beethoven's Violin Sonatas in E flat major, Op. 12 No. 3: A minor, Op. 23: A major Op. 30 No. 1 will be performed by Carl Seemann, piano; Wolfgang Schneiderhan, violin.

Film Program 3:00 P.M.

Trans-Canada Journey This film takes you on a tour of Canada. Swiftly, effortlessly, a jet liner spans the miles, sheering through fleecy clouds to open sky and scenic vistas of the provinces below. Impressions it would take days and weeks to gather at first hand are brought to you in half an hour in this vivid, three-thousand mile panorama.

Universe A triumph of film art, creating on the screen a vast, awe-inspiring picture of the universe as it would appear to the voyager through space. Starting point for this journey is the David Dunlap Observatory, Toronto.

(Seventeen film awards, including: International Film Festival, Cannes, France; International Film Festival, Edinburgh, Scotland; British Film Academy, London, England.)

LIONS NEWS

SUIT RAFFLE WINNER

The St. Albert Lions Club wish to announce that the winner of their suit raffle is Mr. Henry Lamoureux, 47 Birch Drive.

For their next meeting, to be held on Tuesday, February 16, the Lions plan to have a guest who will entertain with an interesting film of a trip on the Mackenzie River. The Lions are inviting the ladies to see this film.

At the last meeting, the Lions Club presented the Scholarship Awards. Present were the Scholarship students and their parents, teachers and principals. Lion Dr. Alex Proudfoot introduced the guest speaker, Mr. L. Hall, Provincial Inspector of Alberta High Schools, and also a Past District Governor of the Lions Club. Lion President Bert Swain presented the awards to the students. The Lions Club received a note of thanks from Mrs. Betty Moran of Lachine, Que. for providing a television set for her father, Harry O'Toole, while he was in the hospital. The late Mr. O'Toole was a charter member of the St. Albert Lions Club.

Lion Neil Ross attended the charter ceremonies at Fort Smith and Yellowknife. Yellowknife is probably the first club in Canada to officially recognize Canada's new flag. This flag was made and presented by the students of the Sir John Franklin School especially for the occasion. Lion Ross presented those Lions Clubs with the St. Albert banner on behalf of our local club.

From Our Readers

Dear Sir,

Did you folks happen to take a good look at the cartoon on the top right corner of the February 6 issue, page 14, St. Albert Gazette?

It brings back memories of an incident that happened when I was a child of perhaps seven years old, or around there. A younger brother, Bob, about two and a bit, in diapers and shirt, myself, a cousin of nine or ten years, and my older brother (and guardian of the tribe Dan (longtime resident of 96 Mission Ave.) were busily investigating the inhabitants of the slough area a few hundred yards north of the house. Dan was up a tree investigating a crow's nest, Archie was trying to catch and kill a garter snake, I was running back and forth between them giving lots of loud encouragement, Baby Bob was left temporarily on his own. There was a nearby bump on the ground, an inviting looking seat for a toddler who had just walked nearly a quarter of a mile. Presently some childish screams added to the more important noise. Someone of the older boys ordered me to go see what Bob was yelling about. Have you ever seen a toddler in shirt and diaper sitting on top of a big red ant hill?

My screams brought the necessary help from the older boys. The shirt and diaper soon removed, a fast throw into a foot or two of warm slough water, a quick trip by a naked baby in his older brother's arms, home safe to mother. A few hours later, when our bottoms had cooled off, we three older ones returned to recover the shirt and diaper. This story just shows what effect early training can have on a person's life. My brother Bob has been for many years a member of one of the bridge construction crews in our province. He just loves the high places.

THE PARTY LINE Dog Killed

Last Thursday night residents of Grandora Crescent were rudely awakened at 1 a.m. by the loud and long barking of several dogs. An attempt was made by one resident to contact the SPCA but to no avail. The rucus began at 1 a.m. and continued until 2:30 a.m., when this resident assumed someone had dispersed the dogs.

Remarking on the incident to his next door neighbor, he advised that the neighbor check her own dog who is kept in an enclosed run at all times, to assure that the dog was still there and had not joined the 'pack'. The dog was there but not alive! A sizeable battle had obviously taken place between this dog and the pack and she lay in a pool of blood in her own run, with her throat ripped open and her neck broken. The RCMP were called in. The advised that dog control is not their problem, however, due to the extreme circumstances, they did investigate all neighboring dogs in hopes of shedding some light on the killers.

This is a deplorable situation, when one dog owner completely adheres to the town bylaw by keeping their dog penned

at all times, and other flagrantly disregard the law, and as a result the law abiders suffer.

The dog which was killed was not a small dog, and quite capable of standing up for its own rights, therefore the dogs who took her life were of a vicious nature. This time a dog, but maybe next time a child, a teen age babysitter on her way home, or even an adult.

A petition is currently circulating Grandora Crescent, urging action against dog owners who will not obey and keep their dogs tied or penned. It is the duty of every citizen to report and press charges against these lawbreakers

Catholic Women's League

At the February General meeting it was announced that a "Mad Hatter" Card Party will be held in March in aid of the C.W.L. Centennial Project. Mrs. W. Mirlin will convene the event.

Members were reminded that a Cooking School has been booked for October 13. The ladies will cater for the Padre Night Supper sponsored by the Knights of Columbus. Mrs. J. Krupa and Mrs. S. Bonneville are in charge of arrangements. The President congratulated the members on the splendid co-operation given at the banquet for the three newly ordained Oblate priests. Ninety-nine ladies, including twenty from Villeneuve, were on hand to share in the work.

Mrs. Gallant outlined the duties of the Squirette Councillors. Two new councillors are needed immediately.

Liberals of St. Albert

Your attendance is requested at the Primary meeting to be held in the.....

Community Hall
at 8.30 p.m. on February 16th., 1965

where credentials will be issued to those wishing to become voting delegates at the EDMONTON WEST FEDERAL LIBERAL ASSOCIATION NOMINATING CONVENTION, to be held on MARCH 2nd, 1965 at the Westglen School, Edmonton.

DR. HERBERT MELTZER, a prominent Edmonton surgeon, is seeking this nomination and earnestly requests your support as a voting delegate.

Dr. Meltzer is a Western Canadian, having been born and raised on a farm near Winnipeg. He has resided and worked in Edmonton for the last twenty years, since his discharge from the Canadian Army. He has been a Liberal for 35 years and since he first contested this candidacy, two years ago, he has devoted his major effort to preparing himself for the office he now seeks. During the last several months he has worked hard and has built up an enthusiastic organization to add strength to the present Liberal organization.

He is a humanitarian, and concerned with the problems people face. He is prepared to give up his medical practise and devote 100% of his time and effort to winning this seat, and later to represent you honestly and conscientiously in Government. He will work hard, and your problems will become his problems.

COME TO THE MEETING ON FEBRUARY 16th. AND MEET HIM.

Inserted by the Committee for the Nomination of Dr. Herbert Meltzer

UNITED CHURCH

On Sunday, Feb. 7 the main quarterly
Communion Service was held at the 11 am
service. Dr. Schwarz was assisted in
the service by Mr. H. Sambell. Dr.
Schwarz spoke concerning the petition
for a plebiscite to determine the estab-
lishment of another liquor outlet in St.
Albert, pointing out that the petition
requested only that the people in the

community have a voice in the decision.
The Evening Service at 7:30 p.m. contin-
ued the series on the Apostles' Creed
and took the form of a dialogue between
Dr. Schwarz and an interested layman,
Mr. Arthur Ralphs. Mr. Dick Leggitt
sang two solos and led the congregation
in a period of hymn singing. Mrs. Lois
Hole was at the organ. Coffee was
served in the Lower Hall by the ladies
of the new Southwest Grandin Park Unit
of the U.C.W. The Hi-C attended a skating

party on Sunday evening as guests of a
city Hi-C group.

Coming Church Activities

Thurs. Feb. 11: Choir 8:15 p.m.

Friday, Feb. 12: Triple M social in
